Carvalho Americano

The image shows a close-up of a light-colored wood surface, likely oak, with a prominent vertical grain pattern. The wood has a warm, yellowish-tan hue and shows natural variations in color and texture, including some darker spots and a slightly uneven surface. The grain runs vertically from top to bottom.

Carvalho Vermelho

Castanho

Cerejeira Americana

A close-up photograph of a light brown wood surface, showing a vertical grain pattern with subtle variations in color and texture. The wood has a smooth finish and a warm, natural tone.

Cerejeira Brasileira

The image shows a close-up of a wood surface with a vertical striped pattern. The stripes are in shades of brown and dark blue, creating a textured, layered appearance. The lighting is even, highlighting the natural grain and color variations of the wood.

Ébano Listado

The image displays a close-up, vertical view of the wood grain of an Ebano tree. The wood has a rich, dark brown color with prominent, slightly wavy vertical lines representing the grain. The texture appears smooth but with natural wood grain variations.

Ébano

A close-up photograph of a light brown wood surface, showing a vertical grain pattern with subtle variations in color and texture. The wood has a smooth finish and a warm, natural tone.

Eucalipto

Faia Branca

Faia Vaporizada

A close-up photograph of a light brown wood surface, showing vertical grain patterns and subtle texture. The wood has a warm, natural tone with some darker and lighter variations in color across the grain.
